

8th WURC | 2023

Research Congress

Wayamba University of Sri Lanka

Navigating the Future: Unveiling Tomorrow's Trends and Insights through Innovative Research

Presentation Guidelines for WURC-2023

1. Each **presenter** has been allocated **10 minutes** for the **presentation** followed by a **3 minute Q&A**. You must stick to the allocated time.
2. All the presenters should **use the recommended presentation (PPT) template of WURC-2023 (attached)**, it also is available at the <https://www.wyb.ac.lk/wurc/>
3. **Submit your presentation to the WURC-2023 presentation submission portal** (the link will be sent to you soon) on or before **19th October 2023 at 12.00 noon**. This will help us check the compatibility of your file and resolve any encountered issues.
4. If any additional materials are included in the presentation such as video clips, those additional materials must be submitted along with the presentation as separate files via the presentation submission link.
5. When submitting, rename your file as '[Abstract ID] – [Faculty]' and upload it. Supplementary materials need to be named as '[Abstract ID] – [Faculty] – S1'.
6. Presentations should be prepared in **MS PowerPoint**. If any presenter wants to use an alternative software for the presentation, you are welcome with your own laptop. Please, ensure that your laptop is compatible with the other equipment/devices in the technical session room before starting the session. Subsequently, slight changes in the program schedule could be anticipated for effective time usage.
7. All presentations should be in-person onsite. The presenting author should present the work orally. If the presenting author couldn't be able to attend the session due to an unavoidable circumstance, a staff member or a postgraduate student of the Wayamba University of Sri Lanka, claiming the co-authorship of the particular abstract should present the work and answer the questions in the Q & A session. If you **FAIL** to do so, the abstract will be excluded from the proceedings of WURC-2023.
8. The presenting authors are requested to be present at the venue **15 minutes before** the start of the session and ensure that your presentation properly works.
9. Your corporation will ensure the smooth flow of the session.
